6 to 12 weeks

Slide 6

ABC Church Layout

Slide 7

Takeaways & Suggestions

Option 1

Pros

Low cost

Familiar system

Quick set up

Cons

Still requires manual work

Tools are not in one place

Harder to scale growth

Option 2 (Recommended)

Pros

Everything in one system

Automated tasks

Ease of use

Grows with the church

Smartphone compatible

Cons

Monthly cost

Training is required

Existing data needs to be moved to new system

Suggestions

Additional desktop & a laptop

Creating social media accounts for exposure

Referral program

At-the-door check-in system
